Comments and Actions

- Members of the council were presented with their badges to proudly display their membership to others! They were all congratulated on their fantastic applications.
- Mrs. Hart explained what being on the council means: promoting a love of reading throughout school!
- Mrs. Hart said that, with advent coming up, it would be nice to have an event to promote reading. The ambassadors agreed on an Advent Reading Challenge as follows:
 - Form to be created to capture information;
 - Children to read every night in advent and write this on the sheet;
 - They can read independently, with an adult, listen to a story read by someone else or an audiobook;
 - Everyone who enters will receive a certificate and there will be an overall prize.
- Mrs. Hart to create the sheet and ParntMail to all families.

The next meeting will be in January to look at the entries for the Advent Reading Challenge.
