

**Primary Curriculum Driver: UW
(Understanding the World)**

Our theme will lend itself to finding out about festivals, traditions and celebrations at this time of year such as Bonfire night, Remembrance and ultimately Christmas. We will find out why and how these key festivals are celebrated. Revisiting our Christian Values, as well as introducing the Fundamental British Values, will support our learning throughout the half term. Reading 'Owl Babies' and the 'Owl who was afraid of the dark' will help us with our learning about the sky at night. We will end the half term answering the big question 'Why do Christians perform nativity plays at Christmas?' We will take the lead role in the nativity service held at St James' Church on Thursday 18th December.

Autumn 2

**Bright Lights and Autumn
Nights**

**Secondary Curriculum Driver: PSED
(Personal, Social and Emotional
Development)**

This half term we will be thinking about the different ways we can keep ourselves and each other safe. We will find out about the significance of the poppy during our work around remembrance, creating a range of artwork to display. During Anti-bullying week, we will think about what makes a really good friend and how we can show these qualities. Using the text 'Have you filled a bucket?' will support our learning as we make friendship cards and posters for each other. We will learn about staying safe next to the roads during road safety week. Our focus on the different festivals and celebrations will support our understanding of similarities and differences within our community.

Literacy:

Our daily RWI phonics sessions continue with a focus on letter formation, word building and reading, including reading alien words. Children will be reading in school on a daily basis. Please remember to sign the yellow book when you read at home too!

Our core texts this half term will include 'Have you filled a bucket?' and 'Owl Babies'. We will use these

Communication and language:

We will continue to learn and use new vocabulary throughout the day. Our focus will be on descriptive language and powerful story vocab! From words to describe the shape, colour and sound of fireworks to create a whole class scene poem.

Mathematical Development:

We will continue to follow the White Rose Maths scheme which will focus our learning on the composition of numbers 1,2,3, 4 and 5. As well as daily taught sessions and follow up activities, we will continue to hold daily maths cafes (basically an opportunity to build up our mathematical vocabulary alongside a quick drink!) This includes adding and subtracting as we set out and take cups away, looking

Physical Development:

Our PE sessions with Mr Thompson will continue with a focus on basic ball skills needed for early basketball and netball. In the classroom we will turn our attention to 'twisting and pulling' to build up important muscles needed for good pencil

Expressive Arts and Design:

Our focus in the painting area will become media and material used in mark making. We have loved exploring the different colours we can mix so why not experiment with resources we can use to paint with? We will use Vincent Van Gogh's 'Starry Night' to create our
