## Part A: Pupil premium strategy plan

### Statement of intent

At Broomhaugh Church of England First School our intention is to provide an inspirational and inclusive teaching and learning environment in which all pupils can ‘Be the best they can be!’ Through the use of the pupil premium grant we aim to accelerate progress and raise attainment for disadvantaged children and their peers. We prioritise inclusive, quality first teaching and learning for all as our core provision with high quality intervention to support this. A key principle is to ensure well-being and readiness to learn in order to narrow learning gaps. We recognise that good mental health is the foundation of all achievement in school and that an important contributing factor to the raising of attainment and progress rates lies within removing social, emotional and environmental barriers to learning. We aim to adapt and enable the whole curriculum so it is accessible for all.

#### Our Priorities

- Ensuring all pupils receive quality first teaching in each lesson
- Providing the social and emotional support required for pupils to be ready to learn and thrive.
- Providing targeted academic support for pupils who are not making the expected progress.

### Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Social and emotional factors relating to emotional wellbeing and development of age appropriate interaction and metacognition skills – readiness to learn.
2	Factors relating to SEND (cognition and learning).

### Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

	Intended outcome	Success criteria
1	For all disadvantaged pupils to make good or better progress.	Good or better progress for all disadvantaged pupils.
2	Disadvantaged pupils have good S.E.M.H (social, emotional and mental health) support so they have the opportunity to be ready to learn.	Disadvantaged pupils are better able to access quality first strategies and interventions through improved engagement due to S.E.M.H needs being met.

### Activity in this academic year

This details how we intend to spend our pupil premium **this academic year** to address the challenges listed above.

## Part B: Review of outcomes in the previous academic year

### Pupil premium strategy outcomes

This details the impact that our pupil premium spending had on pupils in the 2023 to 2024 academic year.

PP attainment data not comparable with non PP data/past PP data due to very small PP pupil numbers and differing pupil profiles of children leaving/ entering PP register.

Teaching and learning is good or better across school.

Vulnerable learners supported by outside professionals from 13 specialisms – teams around families in place and highly effective.

Continuing development in SEMH provision leading to a graduated approach to supporting learners thoroughly embedded through graduated approach.

SLMH in role to actively remove barriers to learning and coordinate impactful SEMH provision.

Support staff used very effectively to give value for money and maximum impact.

Support for parents evolved – ‘teams around the family’ set up and range of sign posting e.g Tanga Club/ASD drop in sessions/Supporting Your Child With Their Behaviour.

Highly effective small group tuition in place throughout school. Highly skilled teachers and support staff deliver specific teaching to close gaps and extend learning for more able.

High quality small group phonics in place across school.

**Due to low Pupil Premium numbers further information regarding specific data can be discussed with Mrs Hart or Miss Storey.**
