Part A: Pupil premium strategy plan

Statement of intent

At Broomhaugh Church of England First School our intention is to provide an inspirational and inclusive teaching and learning environment in which all pupils can 'Be the best they can be!" Through the use of the pupil premium grant we aim to accelerate progress and raise attainment for disadvantaged children and their peers. We prioritise inclusive, quality first teaching and learning for all as our core provision with high quality intervention to support this. A key principle is to ensure well-being and readiness to learn in order to narrow learning gaps. We recognise that good mental health is the foundation of all achievement in school and that an important contributing factor to the raising of attainment and progress rates lies within removing social, emotional and environmental barriers to learning. We aim to adapt and enable the whole curriculum so it is accessible for all and create a strong sense of belonging to support motivation and emotional safety in the school environment to enable progress.

Our Priorities

- Ensuring all pupils receive quality first teaching in each lesson
- Providing the social and emotional support required for pupils to be ready to learn and thrive.
- Providing targeted academic support for pupils who are not making the expected progress.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Pupil premium strategy outcomes

This details the impact that our pupil premium spending had on pupils in the 2025 to 2026 academic year.

PP data not comparable with non PP data/past PP data due to small PP numbers/reduction in percentage of PP children alongside differing pupil profiles of children leaving/entering the PP register.

Attendance of PP learners in 2025 / 2026 - 95 %

2026 - 100 % of pupils passed phonics screening check

Good or better progress for all PP children
