## **SCARLETT'S SECRET SNOWGLOBE**

Scarlett Winters is a spoilt, selfish and mean little girl who cares more about the number of presents she receives than how she treats those around her. This Christmas, however, all is about to change!

After being rude to a mysterious, old man carrying nothing but a snowglobe, Scarlett is whisked into a land full of ice, misery and snow. It is here that Scarlett must discover the true *values of Christmas*.

But who is the mysterious, old man? Where has Scarlett landed? And how will she ever escape?
