

## **School council 6th November 2023**

All members present/NB

### **Agenda:**

**Do we want to continue with supporting national charities or select a local children's charity to support throughout the year?**

**How would we like to raise funds?**

### **Class vote result**

It was a tight result with a difference of only 5 children. The children voted to continue supporting national charities and initiatives such as Children in Need through raising awareness/celebrating with special lunches etc. The children would now like to find a local charity to support in a monetary way. Does anyone have a charity in mind?

### **Fundraising ideas .....**

Before thinking of the ideas we will invite the chosen charity into school to learn more about the impact our money will make. Maybe they have ideas? We will also need to check that the things we do aren't repeated by the PTA who raise money for our school. Possible ideas include ... break the rules day, sponsored activity such as basketball.

**Next Meeting Wednesday 15th November:**
