**Living Things
and
Their Habitats**

Au café

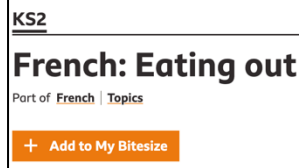

KEY WORDS:
environment
flowering
non-flowering
plants
animals
vertebrates
fish
amphibians
reptiles
birds
mammals
invertebrates
snails
insects

SCIENCE TASK – Living Things & Their Habitats
Can you make a wordsearch using the key words for our topic? You can make a wordsearch by hand or using an online wordsearch generator such as <https://puzzlemaker.discoveryeducation.com/word-search>

ENGLISH – Charlotte's Web
Research spiders linked to our English and Science work! What can you find out about these fascinating animals? You could include drawings/images too.

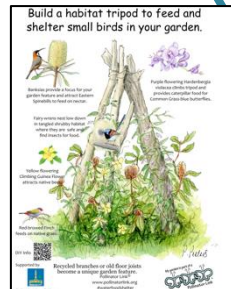

FRENCH – eating out at a cafe
Use the BBC Bitesize website to learn all about eating out in France, especially in cafes! It offers audio to help with your French accent too!
<https://www.bbc.co.uk/bitesize/topics/zjchrg6/articles/zg94ydm>

CREATIVE TASK – Can you create spider web art linked to the Charlotte's Web text in English? Will you paint it in detail (2D)? Or use 3D modelling? Or a computer drawing package to design and print the design? The options are endless!

CREATIVE TASK – build a habitat
Build a habitat for a real or imaginary creature – you could use natural objects, make a shoebox diorama, draw and label it on paper etc. Get creative!

SCIENCE
Log into School 360 and then Busy Things. Explore the HUGE amount of resources on our Living Things and Their Habitats topic.
ENJOY!

ART – Georgia O'Keeffe
Make a variety of flower origami. There are lots and lots of examples online – from simple to difficult...what can you create?

OUT AND ABOUT:

- Go for a walk. Become a nature photographer. Can you show off your photography skills and capture some close-up plant/flower images in the style of O'Keeffe?
