10th May 2019

BROOMHAUGH C OF E FIRST SCHOOL
NEWSLETTER MAY 2019

Dear Parents and Carers,

We have had another lovely week in school and it is nice to end the week with some sunshine!

I have now met all the children and I have really enjoyed the time I have spent in their classrooms. It is clear to see the staff team really understand their needs and care for them in school.

The children are enjoying their specialist sport lessons which include tennis coaching this term, and they are looking forward to some Yoga lessons next half term. There are some special visits and events to look forward to this term so we will keep updating the diary as they are confirmed.

I will be collating all the parent survey responses to review with Mrs Gray next week, so if you still have your survey please return your feedback on Monday. Thank you to all who have already returned the forms.

We have our Summer School Improvement Partner (SIP) Visit at the end of June which is an opportunity for us to get challenge and feedback from our designated partner who is currently a lady named Claire Williams. I have read the SIAMs report the school received last term and it is good to see it celebrates some school strengths. It has graded the school as a GOOD school, which matches the School Self Evaluation created by the Governing Body and Jen before she left. The staff can all be proud of meeting the criteria as a good school and we will continue to ensure the whole school community can continue to flourish.

Have a lovely weekend,

J. Ainsley

Miss Ainsley
Executive Head Teacher

End of Year Celebrations
Mrs Yates has shared with me the traditional end of term celebrations and Mrs Gray and I look forward to being part of them this year. Some dates have been put in the diary and more information will follow.

Individual and Class Photographs
We are in the process of organising class and individual photographs for the children for this academic year, more information will follow when we have a date confirmed with the photographer.

School Garden
Thank you to all who popped in to help and say hello. We are hoping to get a keen group together to help us re-vamp and then maintain the garden for use all year round for the children. Our family gardening club will begin in Summer term so hopefully this will give us a great kick start.

Diary dates are printed on the next pages….new dates will be added in red so please check each week for any events/activities involving your child's year group or the whole school.
