

The Weekly Menu for the final week of Summer Term consists of a variety of activities covering all areas of learning. It is designed so that you can 'pick and choose' the activities that best suit your child and the time that you have available for home learning. All required resources can be found on the school website page for Week Beginning 13th July. ENJOY...and have a super Summer!

<p>Twinkl Mysteries (adult-led)</p> <p><i>All resources on school website page</i></p>	<p>1. The Mystery of the Missing Emoji Sunglasses (Spelling, Punctuation and Grammar Focus) Play this fantastic educational game to challenge your pupils understanding of sentence forms, capital letters and full stops, prefixes, suffixes, and common exception words.</p> <p>2. The Mystery of the Sports Day Trophy (Maths Focus) Play this fantastic educational game to challenge your pupils understanding of sentence forms, capital letters and full stops, prefixes, suffixes, and common exception words.</p> <p>3. The Mystery of the Pirate's Missing Treasure (Phonics and Spelling Focus) Play this fantastic educational game to challenge and consolidate your pupils' understanding of vowel digraphs, real and nonsense words, suffixes and consonant clusters.</p>
<p>Maths</p>	<p>White Rose Maths Home Learning: https://whiterosemaths.com/homelearning/year-2/</p> <p>If you would like to complete the maths learning for this week, follow the above link. Then you will need to click on YEAR 2 SUMMER TERM – WEEK 12 (W/C 13 JULY). Here you will find the videos for each day. ALL WORKSHEETS WILL BE PROVIDED ON THE SCHOOL WEBSITE PAGE UNDER 'MATHS RESOURCES'.</p> <ul style="list-style-type: none"> - Lesson 1 'Telling Time to 5 mins' - Lesson 2 'Hours and Days' - Lesson 3 'Find Durations of Time' - Lesson 4 'Compare Durations of Time'
<p>Design A... (Sport Themed)</p>	<p>Unleash your imagination and creativity – use the resources (on school website) Design A New Sport, Design A Medal, Design An Olympic Kit and Design A Football Strip. Have fun!</p>
<p>Friendship</p>	<p>Can you discuss and write what makes a good friend using the What Makes A Good Friend worksheet followed by the Friendship Word Search on school website?</p>
<p>Scavenger Hunt</p>	<p>Use the 'My I Spy Scavenger Hunt' resource on school website. Go outdoors and have fun searching, exploring, identifying and discussing the items on the list. Which items were the hardest to find?</p>
<p>Chalk-o-Rama</p>	<p>Using chalk, draw your favourite memories from the past year on the ground, write messages for friends and staff members, or just draw for the pure joy of creating something.</p> <div data-bbox="280 1644 748 2107"> </div> <div data-bbox="758 1823 1185 2107"> </div> <div data-bbox="1198 1877 1528 2063"> </div>

Top Ten Lists	<p>Writing Task – Can you compile some Top Ten Lists for this summer? How about...Top Ten Books I Want to Read, Top Ten Things I Want to Do, Top Ten Things I want to Learn and Top Ten Places I Want to Go.</p>
Graffiti Wall	<p>Using paper and felt tip pens, write about their favourite memories of the year, messages for their classmates, and plans for enjoying the summer.</p> <p>Add post-its, drawings and names of special people. Try some bubble letters or graffiti style writing. Have fun and be creative!</p> 
Outdoor Art	<p>Collect a variety of natural found materials. Can you create a piece of art inspired by an animal (e.g. a snail) or a symmetrical design using what you have collected? What about a sculpture – adding height to your design? How about making an animal home using natural found materials? The possibilities are endless!</p>
