

Year 3/4 Optional Learning Menu Summer 2022

KEY WORDS:

appliances
electricity
electrical
circuit
cell
wire
bulb
buzzer
danger
safety
sign
insulator
conductor
switch

SCIENCE TASK – Electricity
Can you make a wordsearch using the key words for our electricity topic? You can make a wordsearch by hand or using an online wordsearch generator such as <https://puzzlemaker.discoveryeducation.com/word-search>

HISTORY - Victorians
Research famous Victorian inventions. You could draw/stick in a picture of the invention and write facts! Examples could be the telephone, x-ray, petrol motor cars and lots more!

FRENCH – family
Use the vocabulary sheet we have given you. Use a page in your book to draw and label (in French) your family members. Ask someone to test you on the French words for different family members!

CREATIVE TASK – Can you make your own mysterious island linked to the Oliver and the Seawigs text in English? Will you draw it in detail (2D)? Or use 3D modelling - junk materials etc? Or a computer drawing package to design and print the design?

Use this BBC Bitesize page to learn about electricity. Make sure you click on the Y4 titles (the first 4)!
<https://www.bbc.co.uk/bitesize/topics/zj44jxs>
There are videos, activities, quizzes and more!

FRENCH
Play this BBC game to practise your skills. You can work on FAMILY and many other areas too!
<https://www.bbc.co.uk/bitesize/topics/z74gcqt/articles/zywm39>
Make a note of which games you play and how you do!

ART – Charles Rennie Mackintosh
Create a stained-glass window design inspired by the lines, shapes and style of Mackintosh. It could be black and white or colour.

OUT AND ABOUT:

- Go for a walk. Note down any evidence of electricity being used in the local area. Make a map of your findings or take pictures...how many things can you find?
