

## Phonics Year 1

### Week 8

This week we are moving onto plurals. Adding s and es to nouns to make the word change from singular and plural. Because we are moving onto this can we please ask that you are accessing **Busy Things via School 360** and accessing **English-Phonics- Alternative Spellings**. If you can play the games in this section for **15 minutes** a day it will help your child to keep applying these rules.

#### **Moving onto plurals...**

Attached are some fun PowerPoints to work through and explains how to apply the **s** and **es** to words.

Here is also a video that explains it.

On the school website under Year 1, Week 8 w.c. 15<sup>th</sup> June, Phonics there are also some more activities provided.

This weeks tricky words are

where

there

Many thanks,

Mrs Reed and Mrs Robertson
