

## BROOMHAUGH C OF E FIRST SCHOOL NEWSLETTER 25 SEPTEMBER 2020

Dear Parents and Carers,

As we reach the end of week four in school I am pleased to say the children are settling and learning to manage the current 'new normal' in school well.

This week the children have been clearly reminded of our **Calm School Code** to:

Listen Carefully  
Act Kindly  
Speak Nicely  
and  
Move Calmly

We are dedicated to ensuring the children are supported in these different times and all staff are committed to help them live out the school vision to make a difference in the world and being the best we can be.

School council elections will soon be underway and the school website will be updated in the coming weeks to share with you their news over this year. We will soon be looking to elect the Eco Council who will once again focus on promoting and raising the profile of achieving our Global Goals.

Next week is Healthy Eating Week and we will be carrying out a range of challenges throughout the week – there are two family challenges for the weekend too so look out for the information to follow.

With the arrival of October next week we will also be thinking about “walk to school month” so look out for new dates in the diary to mark events taking place.

Our learning galleries on our class pages of the website are updated regularly with lots of the wonderful learning opportunities taking place in school – don't forget to look each week!

Executive Deputy Head Teacher

### Coronavirus Update

To ensure we are adhering to all safety advice and expectations we have increased additional measures from next week introducing adult face coverings.

**From Monday 28 September 2020 we require all adults to wear face coverings during drop off and collection – Thank you for your cooperation.**

## Remote Learning

We have been asked to produce and share our school plans in the event of whole school closures in relation to how we can provide remote learning if it was needed long term. We have taken in to account the feedback from families over the lockdown and our long term strategy for remote learning will be shared soon. Staff training is underway and we are doing all we can to ensure we are fully prepared if a bubble needs to close or, in the worst case, schools are told once again to close – which we very, very much hope will be avoided by all the safety measure we are upholding.

## Public Health England (PHE)

We are continuing to take heed of all advice sent via Public Health England, the Government, Diocese and Council. Please continue to inform us if there are any changes in your circumstances, particularly in this new period of local lockdown. The following advice from the NHS is linked below:

NHS Test and Trace: if you've been in contact with a person who has coronavirus (COVID-19), please follow the link below for advice.

<https://www.nhs.uk/conditions/coronavirus-covid-19/testing-and-tracing/nhs-test-and-trace-if-youve-been-in-contact-with-a-person-who-has-coronavirus/>

## Attendance and Punctuality

I appreciate the efforts you make to get the children in school on time as this really helps ensure they can get the most out of their day and off to a positive start. As I walk through classes as early as 9am it is great to see children are settled and their learning has begun. The children's punctuality and readiness for learning are outstanding and we wanted to take this opportunity to thank you for your ongoing support with this.

## Diary Dates:

Date	Event	Notes
Monday 28 September	<b>INTRODUCTION OF ADULT FACE COVERINGS FOR COLLECTION AND DROP OFF</b>	We recognise some people will have medical reasons for not using a face covering and we ask that all adults play their own part without commenting on the behaviour of others.
