1. Aims

This policy aims to:

- Provide background information about the pupil premium grant so that all members of the school community understand its purpose and which pupils are eligible
- Set out how the school will make decisions on pupil premium spending
- Summarise the roles and responsibilities of those involved in managing the pupil premium in school

2. Legislation and guidance

This policy is based on the [Pupil Premium Conditions of grant guidance 2022 - 2023](#) published by the Education and Skills Funding Agency.

3. Purpose of the grant

The pupil premium grant is additional funding allocated to publicly funded schools to raise the attainment of disadvantaged pupils and support pupils with parents in the armed forces.

The school will use the grant to support these groups, which comprise pupils with a range of different abilities, to narrow any achievement gaps between them and their peers.

We also recognise that not all pupils eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve pupils' progress and attainment so that they can reach their full potential.

4. Use of the grant

- We ensure that teaching and learning opportunities meet the needs of all the pupils.
- We ensure that appropriate and targeted provision is made for pupils who belong to vulnerable groups, this includes ensuring that the needs of socially disadvantaged pupils are adequately assessed and addressed.
- Pupil premium funding will be allocated following a needs analysis which will identify priority groups or individuals.
- We will use evidence-based teaching and learning strategies.

All our work will be aimed at accelerating progress and ensuring all pupil premium pupils make good or better progress – at least in line with their peers. Implementation of the funding will also enhance progress and attainment of non-pupil premium children.

Barriers to educational achievement faced by pupils at Broomhaugh First School in 2022 – 2023 include:

- Gaps in key knowledge from previous year groups.
- Social and emotional factors relating to emotional wellbeing and development of age appropriate interaction and metacognition skills – readiness to learn.
- Factors relating to SEND (cognition and learning).
- Factors relating to early childhood experiences or trauma.

Some examples of how the school may use the grant include, but are not limited to:

- Providing opportunities for developing Social, Emotional and Mental Health to reduce barriers to learning –Sensory provision/Friends Resilience program.
- Providing extra one-to-one or small-group support
- Providing extra tuition where needed – to supplement the government’s academic mentor and school led tutoring initiatives.
- Staff training e.g outdoor learning, marking and feedback
- Peer tutoring programs
- Appointment of and training/resources for designated SMHL (Senior Mental Health Lead)

We will publish our strategy on the school’s use of the pupil premium in each academic year on the school website, in line the DfE’s requirements on what maintained schools must publish online.

5. Eligible pupils

The pupil premium is allocated to the school based on the number of eligible pupils in Reception to Year 4.

Eligible pupils fall into the categories explained below.

5.1 Ever 6 free school meals

Pupils recorded in the most recent January school census who are known to have been eligible for free school meals at any point in the last 6 years (as determined by the DfE’s latest conditions of grant guidance).

This includes pupils first known to be eligible for free school meals in the most recent January census.

It does not include pupils who received universal infant free school meals but would not have otherwise received free lunches.

5.2 Looked after children

Pupils who are in the care of, or provided with accommodation by, a local authority in England or Wales.

5.3 Post-looked after children

Pupils recorded in the most recent January census and alternative provision census who were looked after by an English or Welsh local authority immediately before being adopted, or who left local authority care on a special guardianship order or child arrangements order.

5.4 Ever 6 service children

Pupils:

- With a parent serving in the regular armed forces
- Who have been registered as a 'service child' in the school census at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance), including those first recorded as such in the most recent January census
- In receipt of a child pension from the Ministry of Defence because one of their parents died while serving in the armed forces.

6. Roles and responsibilities

6.1 Headteacher and Pupil Premium Leader

The headteacher and Pupil Premium Leader are responsible for:

- Keeping this policy up to date, and ensuring that it is implemented across the school
- Ensuring that all school staff are aware of their role in raising the attainment of disadvantaged pupils and supporting pupils with parents in the armed forces

- Making sure methods for allocating and spending ensure that looked after children benefit without delay
- Working with each looked after child's educational setting to put together a personal education plan, agree how pupil premium funding will be spent to meet the need identified in this plan, and ensure the funding is spent in this way
