

BROOMHAUGH C OF E FIRST SCHOOL NEWSLETTER 12 MARCH 2021

Dear Parents and Carers,

We are back!

It has been lovely to see and hear all the children in school and long may it now continue. The messages are positive for getting all classes back all together before the end of the Summer so we will continue to hope we may be able to have some whole school events, but equally we are very grateful for what we have!

The teachers have enjoyed working with the children this week to find out our focus for moving forward academically and the children have really once again impressed us with their effort and positivity.

There is no denying we are all tired (children and staff!) but we are so pleased to be back and look forward to another two enjoyable weeks before the Easter break. Have a lovely weekend and we hope all you fantastic mums are spoilt this weekend.

See you all next week.
