

Eco Council Meeting Fri 2nd Feb

All 4 members present/NB

Agenda: Welcome Yusuf/School improvement plan

Yusuf has been elected as the new member for class 2.

Yusuf was welcomed to the council and briefed on expectations

Discussion

The Big Plastic Count

We are going to take part in the big plastic count at home - the next half term is very short and busy already.

Eco councillors will work to enthuse the school community to take part in the 'big plastic count' at home

Sign up to use the litter pickers at home as we did last year and post results on website

School improvement

Eco councillors have worked together to sweep and tidy some of the main spaces after the recent high winds - thank you for this work

Writing an important letter to seek funding

Mrs Burton asked eco council to reimagine the school ground to make it a sustainable and attractive area for both people and wildlife. For this to be successful we will need to apply for funds. Can you help? - Eco council would love to help and want to invite school council to work together.

Fundraising plans

Bee development - Can we have a 'Be the Best we can Bee day?' Mrs Burton to speak to Mrs Hart and PTA to approve this as we have just agreed to working with a local charity this year.

Wear recycled clothes day - after worship this week - eco council were very excited about the possibility of a 'wear recycled clothes' to raise money for the secret garden development. Again, Mrs Burton to speak to Mrs Hart and PTA to approve.

Next meeting Monday 26th Feb - alongside school council - review of school grounds and action plan update

Nothing to prepare
