

Year 3/4 Optional Learning Menu Autumn 2 2023

River Tyne

Make a weekly planner using the French days of the week.

Draw some of the things that you usually do on each day.

Les jours de la semaine

LUNDI

MARDI

MERCREDI

JEUDI

VENREDI

SAMEDI

DIMANCHE

CREATIVE TASK

Design and make a 3D model of a river from source to mouth.

Can you label it with its different features?

<https://www.childrensuniversity.manchester.ac.uk/learning-activities/science/teeth-and-eating/introduction/>

Why not complete this online learning task about teeth. You can print a certificate at the end for your homework book!

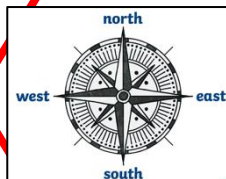

Watch this special episode of Operation Ouch (CBBC) all about teeth...

<https://www.bbc.co.uk/iplayer/episode/m000m7dm/operation-ouch-ouchtastic-5-teeth>

TASK: WRITE 5 FACTS YOU HAVE LEARNT.

Can you design your own compass?
Create a cool design using patterns or something you love about the North-East. Add the 8 main compass points – N, E, S, W, NE, SE, SW, NW.

Plan a healthy lunchbox for your family. You need to make sure it contains a balance of different food groups and nutrients e.g. carbohydrates, protein, fats, dairy. Can you draw and label the meals you plan?

OUT AND ABOUT:

- Can you make a sculpture from natural/found materials inspired by the River Tyne with ships, bridges or other significant North-East landmarks?
