Watch this video aimed at teaching children French words for a wide range of vegetables. How will you do in the test at the end?

CREATIVE TASK – origami
<https://www.youtube.com/watch?v=gvXwTjXY3dE>
Can you follow this online tutorial and make an Amazon Rainforest origami frog?

concombre

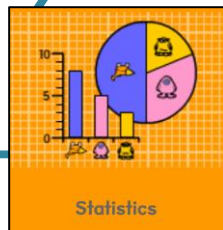

Can you choose between 6-10 of your favourite vegetables. Draw them as accurately as you can and then label each one – in English and then in French! Accurate spelling please!

This is one of Matisse's final works. It is called 'The Snail'. Can you use a graphics package (such as Busy Things-Art-Art Boxes-Busy Paint and Publisher) to create your own version of 'The Snail'?

MATHS – Revision
Use BUSY THINGS (School 360). Choose Y3/4 – MATHS then the STATISTICS area. Play the learning games here to revise your skills.

OUT AND ABOUT:

- One of Matisse's most famous cut-out designs featured a leaf shape. Can you collect leaves/natural materials and create a Matisse style natural collage. Take a picture of it and share it back at school.

ART – Create a calligram (design word to reflect its meaning) of the word RAINFOREST. Then try other related words e.g. TIGER, SNAKE, RIVER, TREE.
