Dear Parents,

### **Year 3 - Times Tables Summer Term 2023**

Thank you once again for your support in helping your child to practise their times tables at home.

Please find below a list of the times tables that have been set for the rest of this term. The dates written in bold are when the children will have their quiz. The children are very familiar now with the routine – they answer as many questions as they can in 6 minutes, aiming to improve their score each time.
