

BROOMHAUGH C OF E FIRST SCHOOL NEWSLETTER 19 JUNE 2020

Dear Parents and Carers,

As we reach the end of another week it is with happiness I can say it is lovely to see and hear the children in school who we have been able to welcome back. Reality hits this week that we have no further capacity to welcome any more of our fabulous children back to school before the summer, and as a staff team this is sad for all of us.

We will continue to share good news and updates on any developments in the return to school plans or special events that may be planned before the end of term which could involve children both in and out of school. Staff will continue to upload learning menus and will still make time to keep in touch with families who continue helping their children through home learning.

We look forward to once again being back together as a full family in our school and one thing we have come to realise is we have definitely needed to think outside the box and be inventive!

We wanted to set a little challenge for the children to think about being inventive so [Check out the challenge here... on our Twitter!](#)

I really look forward to seeing the children's ideas.

Take care,

Miss Ainsley and Mrs Gray
