

BROOMHAUGH C OF E FIRST SCHOOL NEWSLETTER 12 JULY 2019

Dear Parents and Carers,

Healthy lifestyles have been the focus of a very busy week this week. We began the week with a super transfer day where all of the children spent the day in their new classes. On Tuesday bikes were blinged and a healthy breakfast enjoyed followed by bike and scooter circuits and obstacles on the yard. Although our sports day had to be altered due to the weather, the children all had fun taking part on some races and it was really lovely to see so many families there to cheer them on! Wednesday brought yoga and tennis and on Thursday was full of carousel activities and a sports festival! We finished the week with an open morning for parents to pop in and see what we have been up to and it was lovely to see so many people join us. Parents were being massaged in Reception, creating balanced food plates in Year 1/2 and out completing skipping challenges in Year 3/4! Hopefully we have now all got a wealth of ideas about how to lead a more healthy lifestyle from personal hygiene, to looking after our teeth, to balanced diets to exercise!

We also enjoyed an assembly from the library service who introduced this year's Summer Reading Challenge and an assembly from The Hexham Holiday Club to tell us about some exciting things going on over the holidays.

Your child will have brought home their final attainment report for the end of the school year today - we are very proud of all they have achieved throughout the year. We can't quite believe it but next week is the last week of term and is full of lovely things to celebrate and share including our music concert, Roman evening (Y4), Beach trip and Church service so let's make sure it is a fantastic final week of term – see below for specific details for events next week.

We will be working together over the holidays to look at our next steps on Broomhaugh's journey once we have reflected on the achievements of the year and how to continue to develop and flourish.

Have a lovely weekend.
