

Home Learning Weekly Menus – Summer Term

As our schools continue to be closed to the vast majority of pupils we want to ensure all families have some support for home learning in whatever form that may have in your home. As we have said and continue to do so, **there is no pressure in these unusual times**. We have shared lots of information with you and will continue to do so. **Our advice is to do 'little and often' and don't forget to mix school work with fresh air in the garden, exercise at home and learning new skills.**

We will provide the equivalent of daily Maths and English activities as well as a bank of other weekly curriculum activities which you can dip in and out of.

There is no checklist or timetable for families to follow – this would be impossible when trying to juggle multiple children and working from home!

It may be that as parents/carers you are taking it in turns to be with your children so you only have a morning/afternoon/2 hours each day etc. to spend on home learning. You do not need to do all of these things, please be kind to yourselves and pick and choose from the weekly 'menu' according to what suits your situation.

A new menu will be added to the website under your child's year group page by the Friday evening of the previous week.

Weekly Activities	
Science (PLANTS)	<p>Revision and Assessment Use the Year 1 Plants Assessment and the Year 2 Plants Assessment activities, either on screen or printed out. Over the past term we have covered both the Y1 and Y2 learning objectives for Plants in the National Curriculum, so both year groups should look at both assessments for revision purposes. Rather than treating this as a 'test', use it as an opportunity to discuss each question with your child and give them an opportunity to talk about what they have learnt before writing or deciding on how to answer the question.</p> <p>Home Learning Book: If printed, assessments can be stuck into books.</p>

Creative	<p>Giuseppe Arcimboldo</p> <p>Watch the short 'Mister Maker' video to review the artist's work from last week: https://www.youtube.com/watch?v=7TVsSjv9zEY</p> <p>Use Arcimboldo Colouring Pages Challenge – can you identify the objects in the drawing and colour it appropriately? There are two designs to choose from, the second is the most difficult and detailed. There are lots of examples online to be inspired by!</p> <div data-bbox="448 371 1235 712">  </div>
History / Geography	<p>THE SEASIDE – GEOGRAPHY FOCUS</p> <p>Key Questions: What is a glossary? Do we know the meaning key words? What are the main compass points? How can compass points help us to give and follow instructions on a map?</p> <p>Use Seaside Glossary resource to review key vocabulary. Choose which level of glossary sheet you think is appropriate for your child from the 3 provided (they get progressively more challenging) and complete this together with lots of discussion.</p> <p>Watch https://www.bbc.co.uk/teach/class-clips-video/geography-ks1--ks2-maps/zdwhpg8 to revise maps and compass points.</p> <p>Home Learning Book:</p> <p>Use Map Cards Challenge 1 to test how good your compass direction skills are! This can be done on screen or by printing out the worksheets.</p>
P.E.	<p>Visit the school website School Closure pages for 'PE Activities and Challenges'</p> <p>Complete a session of cosmic yoga https://www.youtube.com/user/CosmicKidsYoga</p> <p>Complete a P.E. with Joe https://www.youtube.com/watch?v=qGKGNzNbWjU</p>
