

**Global Goalkeepers Meeting
8th June 2022 at 2.45pm**

Present

YR – Ethan and Ada

Y1/2 – Roo and Nell

Y3/4 – Bethan and Benjamin

Agenda

- Orchid Update **GG15 Life on Land**;
- Clothes Bin and Charitable Contribution **GG12 Responsible Consumption, GG13 Climate Action**;
- AOB.

Comments and Actions

- Mrs Hart updated the GGs on the protection of the orchid in school. Over the half term break, Mr. Charman surveyed the area and discovered that the orchids were in flower! This is a huge development as they are very fickle with flowering! The GGs went out to the area and found the orchids, counting four in total.

- We were all VERY EXCITED!
- Mrs Hart shared that the clothes recycling bin had so far yielded around £80. It has been decided that half of this money will go to charity, with the other half benefitting projects in school. Benjamin proposed a joint meeting with the School Council to decide where the charitable donation should go. Mrs Hart to organise.
- Bethan suggested using the money to create a mural in school depicting the orchids to show our special status. Mrs Hart to investigate.
- AOB: Bethan asked if we could have 'meat free Mondays' in school to help with climate action. Mrs Hart updated that we now have a salad bar in school with a variety of meat-free options. There are now also additional vegetarian choices at lunch, including jacket potatoes and cheese sandwiches. **GG13 Climate Action**
