Dear Parents

**African Drumming Workshop**

We have arranged for an African drumming workshop to come in to school on Monday 27<sup>th</sup> March. They will be here for the whole day taking each year group for a 45 minute session. The children will learn about how the drum was used traditionally and also how it relates to the modern rhythms we hear today. We believe it will be rewarding and inspirational for all children.

The cost for this workshop is £480 and the PTA are funding most of this expense with the monies they raised for Arts in School, however, so that we do not use up all of that funding we would appreciate a voluntary donation of £2 towards the cost of this workshop.

Thank you for your continued support.
