

Can you find out the names of the countries in the world?

Choose one of these countries to write 3 simple facts to share with the class.

Take time to read the information on this learning menu. It is completely optional. There is no deadline for doing any of these activities and you can do as many or as little as you wish. The activities are quite open ended and can be completed in any way you wish. If they want to bring in their completed work throughout the half term that is fine or you may just wish to share things on tapestry!

Can you link plants and animals to different countries in the world?

Make a poster of all the plants and animals that can be found in one of those countries.

If you can, take a visit to the seaside collect some shells to create your own outdoor art. Take a photo for tapestry!

Can you recreate a map from one of the countries you learn about?

Choose one of the countries and recreate their flag to share in class.

Create a special place in your home or garden to sit, reflect and be still with your family
