

## **School council 9th February**

All members present/NB

### **Agenda:**

#### **World Book Day**

#### **Rainbow Day involvement**

#### **Playground review**

#### **World Book Day**

Mrs Burton shared the theme of the day 'Reading for pleasure' we talked about where we like to read. Most of us like to read where it's calm and quiet. What would we like to do this year to celebrate WBD?

Megan - can we wear our pyjamas?

Bea - We'd like to have hot chocolate and read with our friends but not the books we all read at the same time, the ones we like to choose ourselves like the chapter books I read at home.

Euan - We could have quiet reading times through the day and maybe at lunch time if we can stop the rain!

Mrs Burton can't control the weather but we could send info out to parents asking children to wear something that makes them feel really comfortable and ready to enjoy books - most likely pyjamas and share some hot chocolate and biscuits in classes or groups. We could even ask if any parents have any old suitcases/picnic mats they could send to support outdoor reading spaces at lunch?

#### **Rainbow Day involvement**

Is everyone still ok to help with the bake sale Wed 28th Feb after school? All parents have given consent.

Tanga have confirmed they're coming into school for an assembly and Q&A session on Friday 1st March

#### **Playground review**

Mrs Burton shared some updates about the playground meeting with staff. Staff are also keen to set the lunch groups up again so we can start to plan those after the half term holiday. Teachers would also like to get going with some traditional games - does that sound like something children would like? - School council members to ask in classes but they all seemed keen.

Playground equipment is looking messy again.

Can we work with eco council to look at the school grounds and build an action plan to improve this? We may need to write to companies to ask them to support with time and money? - School council agreed.

This then led to a discussion about buddies - would we like to have a buddy system in place again and if so, would school council like to help with the employment process?

**Next Meeting Monday 26th February alongside eco council** - walk around the school premises to build an improvement plan

**Next school council meeting: Friday 1st March** - Please come ready to talk about a buddy system. Did the children in class agree and if so what makes a good buddy?
