

## BROOMHAUGH C OF E FIRST SCHOOL NEWSLETTER FRIDAY 23 MAY 2025

Dear Families,

It seems that every week in school is a busy one, and this week has been no exception! So many exciting things have been happening and the children have loved all of the events and activities.

There was un-bee-liveable excitement this week as we welcomed a new colony of bees to the hive. We are now able to keep honey bees, thanks to the British Bee Charity's Bees4Schools programme. The pupils have started their training on bee care – wearing mini-beekeeping suits to keep them safe. This work contributes to our Climate Friendly Schools action plan, too. Our school motto is 'be the best you can be' but perhaps we should change it to 'bee the best that you can bee'! Wherever we can, we look to take lessons out of the classroom and create magic moments for the children – and activities like this really help them to understand the world around them and bring the science curriculum to life. The school is literally abuzz with excitement and we'd like to thank the Parish Council whose grant made it possible, and Mrs. Gane, our Queen Beekeeper!

With excitement building throughout last week, finally, the long-awaited residential trip began! Year 4 were in high spirits and couldn't wait to set off. We have received photo and video updates from the team, and the children have all been so happy and smiling. They even managed to get some sleep - but it's a good job the weekend and half term is here at last because they'll be so tired from all the fun and games! Many thanks to Mrs. Sanderson, Mrs. Soulsby, Miss. Storey and Mrs. Gane for organising the trip and accompanying the children. It has been wonderful to see the children thrive, being the best they can be, and solidifying friendships across the Federation.

Have a sunny, safe and happy half term, everyone. I hope you all have a well earned rest and enjoy the time with your families.
