

Home Learning Weekly Menus – Summer Term 2020 (2nd half term)

As our schools continue to be closed to the vast majority of pupils we want to ensure all families have some support for home learning in whatever form that may be in your home. As we have said and continue to do so, **there is no pressure in these unusual times**. We have shared lots of information with you and will continue to do so. **Our advice is to do ‘little and often’ and don’t forget to mix school work with fresh air in the garden, exercise at home and learning new skills.**

We will provide the equivalent of daily Maths and English activities as well as a bank of other weekly curriculum activities which you can dip in and out of.

There is no checklist or timetable for families to follow – this would be impossible when trying to juggle multiple children and working from home!

It may be that as parents/carers you are taking it in turns to be with your children so you only have a morning/afternoon/2 hours each day etc. to spend on home learning. You do not need to do all of these things, please be kind to yourselves and pick and choose from the weekly ‘menu’ according to what suits your situation.

A new menu will be added to the website under your child’s year group page by the Sunday afternoon before the start of the new week.

Daily 10 minutes	<p>Times Tables Rockstars https://play.ttrockstars.com/auth/school/student/52508</p>  <p>Only 1 more week to go...</p>	<p>Spellings - Week beginning 6th July</p> <p>This week you get to be the teacher! Have a look at the Word Checklist (<i>see English resources</i>). Which of these words can you read and spell? Choose 10 of the trickier ones for your spellings this week.</p>
Daily Lessons	<p>MATHS Please note that the daily maths worksheets are uploaded onto our class page as separate PDFs Lesson 1, Lesson 2 etc. The answers will also be uploaded. https://188-northumberland.eschools.co.uk/website/year_3/466646 The link for the daily video will be provided for each day (see below).</p>	<p>ENGLISH All of the resources you need are on the school website on our class page. https://188-northumberland.eschools.co.uk/website/year_3/466646 YEAR GROUP PAGES – SCHOOL CLOSURE YEAR 3 Summer Term – Week beginning 6th July</p>
1	 <p>Virtual Transfer Day!</p>	
2	<p>Measure Mass https://vimeo.com/434622854 <i>See PDF Lesson 1</i> Practical Option: Use kitchen and/or bathroom to weigh different objects around the home and garden. If the scales have a dial and a pointing arrow, can you work out what the intervals are? If the scales are digital, what units are used to weigh the objects?</p> 	<p>Read Ha, Ha, Ha, Boom! (Part 1). Put a star next to the jokes that you really like. Put a question-mark next to any that you can't understand. Ask a grown-up if they can explain those ones to you. Are there any neither of you get?!</p> <p>If you can bear it, read Ha, Ha, Ha, Boom! (Part 2). Choose 3-5 of these jokes and try learning them by heart. Practise telling them out loud. Can you use actions, expression and pauses to make them sound really funny? Try them out on someone else.</p>
3	<p>Compare mass https://vimeo.com/434622998 <i>See PDF Lesson 2</i> Practical Option: Once again using objects from around the home and garden, can you estimate which are heavier and put them in order from lightest to heaviest. Then weigh them to check. CHALLENGE</p>  <p>Is a jar or a mug heavier? How do you know?</p>	<p>Watch this video about writing jokes: https://www.bbc.co.uk/programmes/p04v9hnx</p> <p>Read <i>I've got a new job</i>. Choose the best punchlines for the jokes. Try to write your 'I've got a new job' jokes.</p> <p>Watch these top five tips about writing jokes: https://www.bbc.co.uk/programmes/p04v9hmx</p> <p>Try following these tips and writing some of your own jokes.</p>

4	 <p>Add and subtract mass https://vimeo.com/434623103 <i>See PDF Lesson 3</i> Practical Option Use some of the measurements of weight from yesterday to add and subtract the weights of pairs of objects.</p>	 <p>@Broomhaugh 10.45-12.00</p>
5	<p>Measure capacity https://vimeo.com/434623253 <i>See PDF Lesson 4</i> Practical Option Check with your parents first! Then have fun with water and different containers. You will need a jug so you can estimate, measure and compare the capacity of different containers.</p> 	<p>Make a joke book (use the folded book template if you wish). Collect your favourite jokes from <i>Ha, Ha, Ha, Boom!</i> and the jokes that you have written yourself. Add any other favourite jokes that you or your family have. Write the jokes in the book. Add comic illustrations too.</p>
