Comments and Actions

- Miss Ainsley spoke to the PTA about the salad bar. They have agreed to fund it so Mrs Hart shared this exciting news with School Council!
- The School Council talked about the salad that could be included, based on the popularity of the salad tasting bowls at lunch time. They recommended cucumber, apples, carrots, tomato and pepper.
- Next step: School Council to talk to Marrie about next steps and choose the salad bar.
- Mrs Hart told School Council that she had a very special job for them. On our website, we have lots of information about our school and what it is like to be a pupil here. The School Council have been asked to add to this with their thoughts about school.
 - When asked what makes our school special. They said *We have fun; the teachers are nice; the children are friendly; everyone is caring and people always help you if you're upset.*
 - When asked what they would like their teachers to be like, especially the Head Teacher, they said, *Encouraging; Never lets anyone down; Has a big heart; Happy!*
- *NB: These quotes will be included in the information pack for the recruitment of the Executive Head Teacher.*
- Following the 'no football' rule, some children have asked what they can play on a Tuesday and Thursday. We looked at the equipment in the box and agreed to remind our friends of what is available e.g. hula hoops, stilts, cricket bats etc. Top Class council members to audit the equipment and we will look at purchasing more during the next meeting.
- FT asked about Sports Leaders. Mrs Hart asked him to gather a list of interested children so that training can commence.
- Also on the agenda for next meeting: Red Nose Day.
