

BROOMHAUGH C OF E FIRST SCHOOL NEWSLETTER 7 MAY 2021

Dear Parents and Carers,

It has been a short week with a mixture of all weathers to contend with from sunshine and clear skies to hail and storms but the children have continued to shine and we continue to be grateful to be learning in school. This week children have shared with us amazing writing, I have heard some fantastic readers, tricky maths challenges have been faced and the children are really thriving in the PE and enjoying the sports and outdoor provisions we have in place. During learning walks this term we have very clearly seen children engaged in learning and enjoying lessons in class. The dedication of the staff to support any children facing challenges is also a huge strength of our school and I am very thankful for all the work the team do.

This week we have added many dates into the diary as we are looking forward, and are really hopefully, to be holding some events in school that families can take an active part in. We of course will continue to follow all the COVID guidelines and make sure any planned events are safe and following the rules and guidelines. We will of course share additional information about all events and how they will work as soon as we can.

As expected we have had a great deal of interest from prospective candidates who hope to have the chance to join our team in September. We will update you with staffing news and plans for next year's classes hopefully soon after half term. In the coming week we will be contacting the families who will be joining us in the Early Years in September too.

Let's hope the sunshine and clear skies become the most regular feature of our weather in the coming weeks and we hope you have a lovely weekend.

J Ainsley & S Gray
Executive Head Teacher
Executive Deputy Head Teacher

FEDERATION CONSULTATION:

The consultation period concludes on Monday 10th May. Thank you for those of you who have already raised questions or confirmed opinions and support. We really value the feedback so if you have not had the chance to respond there are still a few days to do so. The Governors will be in touch to inform you of outcomes of feedback consideration in due course following the time line outlined in the documents.

REMINDER: COVID SAFETY MEASURES:

All of our safety measures will remain in place. Please remember not to arrive before 08:50am as we hope to avoid families having to wait in a crowd. Doors and gates will continue to open at 8:50am and close at 9am giving a 10 minute window for children to all arrive safely. Use of adult face coverings will continue at this time unless you are exempt. Many thanks for your support.

Diary Dates: Dates in red are new dates which have been added
